

Healing Prayer

Father, in the Name of Jesus, I confess what Your Word says about healing. Your Word says Jesus took my infirmities and bore my sickness. I believe your Word is true. I believe Your Word will not return to You void but will accomplish all that it says it will. Thank You that You desire for me to be strong and healthy. I will not be satisfied with anything less than Your best for me. I boldly confess that I am healed by the stripes of Jesus Christ my Lord, Savior, and Healer. Thank You that Your angels watch over me and no evil shall overtake me. I choose not to walk in fear, doubt or unbelief. The Holy Spirit and the Word of God are within me. Through the eyes of faith, I see my healing taking place. It is improving this very moment, and I thank You and praise You for it. I pray this in Jesus Name. Amen
